

April 21, 2010

On January 13th, 2010, Pennsylvania State Trooper First Class Paul G. Richey was murdered in the line of duty. Each year we organize a fundraiser golf tournament to benefit Fallen Heroes in the Law Enforcement Community. This year our tournament will be held in Trooper Richey's honor to raise money to benefit his family.

This event will be held on Thursday, July 22nd and Friday, July 23rd, 2010, at Nemaquin Woodlands Resort. It will be a two-day, 36-hole four-man scramble. The 304 participants will play both Mystic Rock and The Links Golf Courses. We have included a flier with tournament details for your review.

We are hoping to obtain tournament sponsors to support this golf event, and this tragic and unfortunate cause. We would like to offer you the opportunity to participate as a tournament sponsor. We are offering sponsorship opportunities which include two-day promotional advertising on the golf courses. These sponsorships include our offer to you to purchase a golf flag and/or tee box sign that will be prominently displayed on a golf hole. The flags and/or signs will be furnished to you after the event upon request.

Please review the attached commitment letter which provides the levels of sponsorships. We greatly appreciate your consideration and look forward to hearing from you soon. Please mail your commitment form to Kevin Kraus at the address provided. Upon request, a letter of receipt will be sent to you following the tournament.

Your involvement will make this golf tournament an extra special event for the survivors of Fallen Hero Paul G. Richey. Any additional donations would be greatly appreciated. Tax ID (EIN) 37-6442944
